A TESTIMONY TO GOD'S FAITHFULNESS

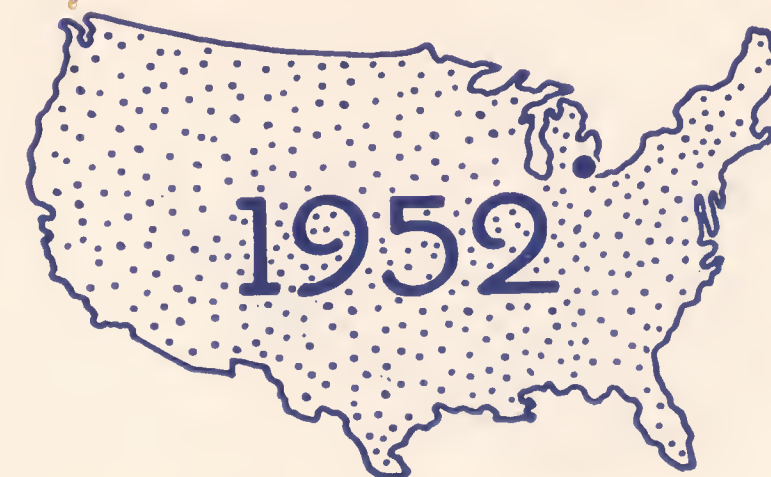

In 1938 the strains of "Tell Me the Story of Jesus" introduced listeners to the first broadcast of the Radio Bible Class over one small Detroit station. The Bible teaching ministry of Dr. De Haan was so blessed of God that shortly after, CKLW, a 50,000 watt station, was carrying the broadcast, and two years later three additional stations were carrying the program. In 1941 the broadcast was being heard regularly over fifty-one stations, and in 1942 "Tell Me the Story of Jesus" was introducing the Bible-teaching of Dr. De Haan and the Radio Bible Class to a nation-wide audience of millions over the coast-to-coast facilities of the Mutual Broadcasting System. Today the gospel message is heard, not only over Mutual, but also over a number of Independent Stations, and is being beamed by short-wave around the world TRULY THIS IS A TESTIMONY TO GOD'S FAITHFULNESS IN BLESSING THE PREACHING OF HIS WORD.

Further testimony to God's faithfulness is this fact, that the Radio Bible Class is exclusively supported by free-will offerings from listeners to the broadcast. No direct appeals for support have ever been made on the broadcast. We do not ask the world for money; we do not systematically circularize our listeners or use

any high pressure methods, but merely place the facts before God's people in this way, and then trust God and believe that those who love the Lord and who favor this fundamental testimony will feel led to pray and send in the needed amount to carry on this ministry.

The Radio Bible Class is a religious non-profit corporation organized under the laws of the State of Michigan for the exclusive purpose of spreading the gospel. We seek and maintain fellowship with all God's people everywhere, irrespective of color, nationality or denomination. We seek only to preach the full counsel of God as found in the Scriptures without sectarian bias or restrictions. Our purpose is to instruct the saints of God, to stimulate Bible study, spread the gospel by radio, literature, and public meetings, to promote unity and love among believers of all groups, and to invite sinners to come to Christ for salvation.

These facts are presented to you, that you may praise God with us for His faithfulness, and then to earnestly solicit your prayers, your comments, and your cooperation in making known these programs to others. Then will you ask God what personal part He would have you take in this work of sending forth the gospel of God's grace.

OUR BELIEF

Since there are broadcasts today which do not identify themselves but withhold some things they believe, we give the following synopsis of the things we verily believe and teach. The Class believes and preaches —

One God in Three persons — Father, Son, Holy Spirit.

The Infallible, verbal inspiration of the Bible.

The Eternal Deity of Jesus Christ, His Virgin Birth, His sinless humanity, His substitutionary death, His bodily resurrection, His present intercession at the right hand of God and His personal coming again to rule and reign on the earth.

Salvation by faith without works, solely by grace.

The power of Christ's blood to save and cleanse from sin.

The eternal bliss of believers in resurrection bodies.

The eternal damnation in Hell of all who reject Christ.

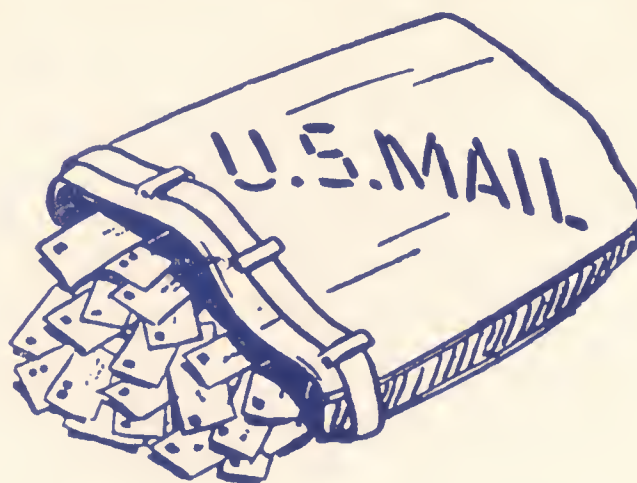

The absolute command to evangelize all nations.

The ONE Body of Christ, consisting of all believers, regardless of color, race or standing.

The imminent and personal return of the Lord Jesus Christ to take His Body unto Himself and set up His Kingdom on the earth.

The need of "works" after we are saved if we are to prove "What is that good, and acceptable, and perfect, will of God."
